TASKI Sprint Spitfire Spray

Heavy duty multi purpose cleaner

E5c

Description

Alkaline heavy duty cleaner for most alkaline resistant, hard surfaces. Its powerful formulation based on a mix of detergents and solvents quickly and efficiently removes mineral and vegetable oils as well as petrol stains. The product is also particularly efficient for stain removal such as ink, marker, pencil, lipstick, black heel marks, smoke films, greasy food and other tenacious stains. The product is ready to use, easy to apply and dries quickly without leaving traces.

Key properties

- Good emulsifying power
- Alkaline and solvent based formulation
- Fresh fragrance
- Ready to use, no rinse, streak-free

Benefits

- Powerful deep cleaning of alkali-resistant, hard surfaces
- Simultaneously removes grease and oils as well as takes tough stains out
- Leaves a pleasant odour
- Easy spray application which leave surfaces free of residues

Use instructions

Dosage:
Ready to use. Use undiluted.

Application:
Light soiling: Spray the product onto a cloth/sponge and apply on the surface. Allow to act/scrub if necessary, and wipe clean.
For tough stains: Spray product directly onto surface and allow to act for a moment. Then scrub if necessary and wipe clean.
No rinsing needed, except on stainless steel surfaces.

Important:
Do not use on water- or alkali-sensitive and painted surfaces. Do not use on surfaces in contact with food products and do not use on aluminium. Always test material compatibility in a small inconspicuous place before use.

Technical data

• Appearance:	Dark blue, clear liquid
• Relative density [20°C]:	1.02
• pH-value neat:	12.0 - 12.5

The above data is typical of normal production and should not be taken as a specification.
